EXTENDSIM SOFTWARE LICENSE AGREEMENT

IMPORTANT- READ CAREFULLY:

ANDRITZ INC. (“Andritz”) IS WILLING TO LICENSE ITS EXTENDSIM SOFTWARE TO YOU ONLY ON THE CONDITION THAT YOU ACCEPT ALL OF THE TERMS IN THIS SOFTWARE LICENSE AGREEMENT. PLEASE READ THE TERMS CAREFULLY. BY DOWNLOADING, INSTALLING, OR USING THE SOFTWARE YOU REPRESENT THAT YOU HAVE READ, UNDERSTOOD, AND AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO BE BOUND BY THESE TERMS AND CONDITIONS, DO NOT DOWNLOAD, INSTALL, OR USE THE SOFTWARE.

1. LEGAL AGREEMENT. This Software License Agreement (the “Agreement”) is a legal agreement between you and Andritz for the evaluation and use of ExtendSim software. Any reference to the “Software” in this Agreement means the ExtendSim application, blocks, DLLs, includes, models, and accompanying documentation, including updates, upgrades, and maintenance releases. Any reference to “you” or “your” in this Agreement means the individual or the corporation, company, entity, or organization (the “Company”) that entered into this Agreement for a license for the Software.

2. GENERAL LICENSE GRANT. Andritz hereby grants to you a nonexclusive, non-transferable (except as provided in Section 8), non-sub-licensable, revocable license to install the Software and run the ExtendSim application in executable code form only, and to use the Documentation, as defined below, in accordance with this Agreement (the “License”). All rights not expressly granted to you in this Agreement are retained by Andritz and its licensors. For purposes of this Agreement, executable code shall mean the fully compiled version of a software program that can be executed by a computer and used by an end user without further compilation, except as may otherwise be provided in this Agreement.

3. LICENSE TYPES.

   3a. Perpetual License. A Perpetual license grants the right to use the licensed version of the Software indefinitely, subject to the terms of this Agreement. A Perpetual License does not include future Updates, Upgrades, Technical Support, or replacement Activation Keys except during an active Maintenance and Support Plan ("MSP").

   3b. Subscription License. A Subscription license grants the right to use the Software during the applicable subscription term purchased by you. A Subscription License includes Updates, Upgrades, Technical Support, and replacement Activation Keys during the active subscription term. Upon expiration or termination of the subscription, your right to use the Software ends unless the subscription is renewed.

4. LICENSE OPTIONS. Your License to install and run the Software shall be in accordance with the License type purchased by you (Perpetual or Subscription) and one or more of the License Options described below. The Software may contain a software license management tool (a “License Manager”) that regulates your use of the Software. If so, all of the licensed activity described below must be subject to the control of the License Manager, and you may not install or use the Software in a manner that circumvents or interferes with the operation of the License Manager or any other technological measure that controls access to the Software.

   4a. Individual License. Individual licenses may be purchased as either a Perpetual or Subscription license. A single identified individual (the “Authorized User”) may use the Software. The Software may be used by the Authorized User only for the Company’s own internal business purposes or for your own personal use (if you are an individual), as applicable. Shared use, use by more than one individual, or use over a local-area network (LAN), a wide-area network (WAN), or the internet is prohibited under this License Option.

   4b. Floating License. Floating licenses may be purchased as either a Perpetual or Subscription license. Subject to the control of a single License Manager, you may install the Software on an unlimited number of computers or servers for use concurrently by a number of individuals up to the number of user licenses you have purchased. The Software may be used only (i) by your employees and contractors working for you or, in the case of an Academic License, by your students, (ii) on computers that are owned or controlled by you, and (iii) for the Company’s own internal business purposes. The Software is licensed to you either for use within a single specified continent (the “Continent”) or for use within multiple continents. The Software may be used within multiple continents only if you purchased or acquired a Global Floating License. Otherwise, the Software may be used only within the single specified Continent and use outside of the Continent is prohibited. To use the Floating License under the terms of this Agreement, you must install and activate the License Manager supplied with the Software. You may install

the License Manager on any computer with a supported operating system that you designate as the host for the License Manager (the "Server"). Activation of the License Manager is tied to the Server and can be accomplished either automatically over the internet or manually.

4c. Node-locked License. Node-Locked licenses may be purchased as either a Perpetual or Subscription license. You may install the Software on one and only one computer for sequential use by any number of users. The Software may be used only (i) by your employees and contractors working for you or, in the case of an Academic License, by your students, (ii) on a computer that is owned or controlled by you, and (iii) for the Company's own internal business purposes. Concurrent use is not allowed under this License Option. Use over a local-area network (LAN), a wide-area network (WAN), or the internet is prohibited under this License Option.

4d. Trial License. The Trial version of the Software may be used for a maximum of 30 days as of the first time you run the Software (the "Trial Period"). Unless the Software is activated before the Trial Period ends, the Software will disable automatically at the end of the Trial Period. If the Trial version disables, your only recourse to continue using the Software under the terms of this Agreement is to obtain an ExtendSim Activation Key to activate the Software. Shared use, use by more than one individual, or use over a local-area network (LAN), a wide-area network (WAN), or the internet is prohibited under this License Option.

4e. Academic License. Academic licenses are only available as Subscription licenses. If the Software is a student version or was purchased or otherwise obtained at an academic or educational discount (collectively, an "Academic License"), it may only be used for Academic Purposes. Academic Purposes means in support of coursework at an accredited educational institution. Examples include a professor using the Software to teach a course, a student using the Software for a course, or a student using the Software for research toward an advanced degree. An Academic License of the Software may not be used for commercial, professional, commercial training, or other for-profit purposes, including consulting or research subsidized by a private or government enterprise. Research projects are typically considered commercial unless the simulation results are made publicly available.

4f. Subscription License. A Subscription License authorizes use of the Software only during the subscription term purchased by you. The subscription term, renewal dates, and any applicable user limits shall be specified by Andritz or its authorized reseller. If the subscription term expires and is not renewed, your right to use the Software immediately terminates.

5. OWNERSHIP. All right, title, and interest in and to the Software and all written materials or graphic files that are fixed in any tangible medium and that relate to and support the Software ("Documentation"), and all intellectual property rights therein or thereto, including, without limitation, all present and future worldwide copyrights, trade secrets, trademarks, patents, patent applications, mask work rights, moral rights, contract rights and other proprietary rights recognized by the laws of any country inherent therein, including all changes and improvements requested or suggested by you in the support and maintenance of the Software therein or thereto, shall at all times remain the exclusive property of Andritz or its licensors. The following are owners of their respective rights: Reprise Software, Inc (Reprise License Manager ("RLM")). RLM is copyrighted by its respective owner and is licensed to Andritz for distribution with ExtendSim. All other products and portions of products are copyrighted by Andritz. All rights in and to the Software not expressly granted to you in this Agreement are reserved by Andritz. Nothing in this Agreement will be deemed to grant, by implication, estoppel, or otherwise, a license under any of Andritz's existing or future patents. Any upgrades, new versions, releases, enhancements, or updates (collectively, "Upgrades") to the Software, shall be at Andritz's sole discretion. To the extent any Upgrades to the Software are provided by Andritz, the term "Software" shall be deemed to include such Upgrades. To the extent any ownership right arises in you with respect to the above, you hereby assign such ownership rights, including enforcement rights, to Andritz without the payment of any additional consideration thereof either to you, or your employees, agents, or customers and agree to execute any documents Andritz deems necessary to effect such assignment. The Software is protected by United States copyright laws and international treaty provisions. You agree not to remove or alter any copyright notice, trademark, or other marking or notice contained in the Software. You shall ensure that all copies of the Software in your possession or control incorporate copyright and other proprietary notices in the same manner that Andritz incorporates such notices in connection with the Software and Documentation or in any manner reasonably requested by Andritz. You shall promptly notify Andritz in writing upon discovery of any unauthorized use of the Software or infringement of the Software or Andritz's proprietary rights in the Software.

6. USE TO CREATE NEW MODELS, BLOCKS, AND LIBRARIES. The Software contains certain models, libraries, and blocks (including icons, dialogs, and block code) owned by or licensed to Andritz. This License includes the right to use the Software to develop your own simulation models ("New Models"), blocks of code ("New Blocks"), and collections of New Blocks ("New Libraries"). You own any New Model you create. You own any New Block you create that contains only original code. HOWEVER, if you create any New Block that uses or includes any portion of a block from an ExtendSim library, or if you include in your New Library any block(s) from any ExtendSim library (in whole or in part), you may only license, sell, distribute, provide, or give away your New Block or New

Library to a recipient who has a current license for the same ExtendSim product from which you have derived your New Block or New Library.

7. ACTIVATION AND SUBSCRIPTION VALIDATION. Certain License Options require activation through an Activation Key or other license authorization mechanism designated by Andritz. Your licensed use of the Software may be tied to specific computer hardware, a License Manager, a named user, or a subscription entitlement. Subscription licenses may require periodic validation to confirm that the subscription remains active. If a Subscription license expires, is not renewed, or cannot be validated within any applicable 30-day grace period established by Andritz, the Software will cease operating. You may need to reactivate the Software following an upgrade, license renewal, hardware change, replacement of a License Manager server, or other changes affecting license authorization. You may be required to contact Andritz to complete activation or reactivation.

8. SUPPORT, MAINTENANCE, AND SUBSCRIPTIONS.

    8a. Subscription Licenses**.** During an active subscription term, Andritz will provide Technical Support and make available Updates and Upgrades to the Software. These benefits are included in the subscription fee and remain available only while the subscription remains active.

    8b. Perpetual Licenses. Except for Student and Analysis RunTime versions of the Software, Perpetual licenses require enrollment in an annual Software Maintenance and Support Plan ("MSP"). During the period for which the MSP remains active, Andritz will provide Technical Support and make available electronic Updates and Upgrades as detailed in the ExtendSim Software Maintenance and Support Plan.

    8c. Expiration of MSP or Subscription. If an MSP lapses, Andritz may cease providing Updates, Upgrades, replacement Activation Keys, and Technical Support for the associated Perpetual License. If a Subscription License expires or is terminated, your right to use the Software ends unless the subscription is renewed.

9. CHANGE IN AUTHORIZED USER AND TRANSFER.

    9a. If you are a Company, you may designate another employee or contractor working for you as the “new” Authorized User hereunder provided all of the following four conditions are met: (i) the rights of the “old” Authorized User to use the Software are permanently discontinued and the Software is deactivated from the computer(s) of the “old” Authorized User (if the “new” Authorized User uses a different computer); (ii) the Software is installed on the computer(s) (as permitted in Section 4a) of the “new” Authorized User; (iii) the “new” Authorized User is identified as the “registered user” of the Software to Andritz (if permitted under your security procedures); and (iv) such change in designated Authorized User of the Software may not occur more than once in a calendar year.

    9b. You may transfer or assign this License Agreement and the rights granted herein to another individual or Company (if you are an individual) or to another Company (if you are a Company) provided all of the following four conditions are met: (i) you transfer the Software, together with all upgrades thereto, as one software product; (ii) you transfer the original of the Software and all upgrades, together with all copies thereof; (iii) you deactivate the Software from all computers and retain no copy of the Software that has been transferred; and (iv) the transferee agrees in writing to be bound by the terms and conditions of this Agreement and such writing is signed by the transferee and provided to Andritz.

    9c. Restrictions on Subscription Licenses. Subscription Licenses may not be transferred, assigned, sold, or otherwise conveyed to another party except with Andritz's prior written consent.

10. OTHER RESTRICTIONS. You may not sublicense, rent, lease, lend, use for timesharing, service bureau or application service provider purposes, or distribute the Software or otherwise grant access to or use of the Software by a third party. You may not use the Software over the internet. You may not alter or modify the Software nor merge the Software or any part thereof into other program material. You may not create derivative works of the Software, except only for derivative works of models, blocks, or libraries that are contained in the Software for such purpose, as set forth in Section 6 above. You agree that you will not, to the fullest extent permitted by applicable law, reverse engineer, decompile, reverse assemble, list, print or display the Software or otherwise attempt to obtain the source code (or the underlying ideas, algorithms, structure, or organization), of the Software or permit any third party to do so. For purposes of this Agreement, source code means the human-readable version of a software program that can be compiled into executable code. Launching multiple instances of ExtendSim, building models, altering models, and running models in multiple instances of ExtendSim must be done by interfacing directly and manually with the ExtendSim user interface using a local keyboard and mouse. Manipulating multiple instances of ExtendSim via any automated process, e.g., using programs to launch and run models, is only allowed in the ExtendSim Cloud product.

11. COPIES. The Software may not be copied, in whole or in part, without the prior written consent of Andritz except

to make a backup copy. This exception does not allow copies to be made for others. Any copy you make must contain all copyright and other notices and legends included in the original provided by Andritz. All copies of the Software, whether provided by Andritz or made by you, shall remain the property of Andritz or its licensors. BY UNAUTHORIZED COPYING OR BY ACQUIRING AND USING UNAUTHORIZED COPIES YOU MAY BE COMMITTING BOTH CRIMINAL AND CIVIL OFFENSES AND MAY BE LIABLE FOR FINES, DAMAGES, AND ATTORNEYS' FEES.

12. NO WARRANTY ON SOFTWARE. ANDRITZ AND ITS LICENSORS DO NOT AND CANNOT WARRANT THE PERFORMANCE OF THE SOFTWARE OR THE RESULTS THAT MAY BE OBTAINED BY USING THE SOFTWARE. ACCORDINGLY, THE SOFTWARE IS PROVIDED ON AN "**AS IS**" BASIS. ANDRITZ AND ITS LICENSORS EACH HEREBY SPECIFICALLY EXCLUDES AND DISCLAIMS ANY AND ALL WARRANTIES WITH RESPECT TO THE SOFTWARE, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, AND OF FITNESS FOR A PARTICULAR PURPOSE, ANY WARRANTY OF NON-INFRINGEMENT, AND ANY WARRANTY OR GUARANTY OF ABSENCE OF HIDDEN DEFECTS, AND ANY WARRANTY THAT MAY ARISE BY REASON OF USAGE OF TRADE, CUSTOM OR COURSE OF DEALING. Some jurisdictions do not allow the exclusion of implied warranties, so the above exclusion may not apply to you.

13. LIMITATION OF LIABILITY. UNDER NO CIRCUMSTANCES SHALL ANDRITZ BE LIABLE TO YOU OR ANY OTHER PERSON, WHETHER BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE, FOR LOSS OF PROFITS, REVENUE OR BUSINESS OPPORTUNITY, LOSS BY REASON OF SHUTDOWN OF FACILITIES OR INABILITY TO OPERATE ANY FACILITY AT FULL CAPACITY, OR COST OF OBTAINING OTHER MEANS FOR PERFORMING THE FUNCTIONS PERFORMED BY THE SOFTWARE, LOSS OF FUTURE CONTRACTS, CLAIMS OF CUSTOMERS, COST OF MONEY OR LOSS OF USE OF CAPITAL, LOST DATA, OR LOSS OF OTHER PROGRAMS, IN EACH CASE WHETHER OR NOT FORESEEABLE, OR FOR ANY SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, OF ANY NATURE, EVEN IF ANDRITZ HAS KNOWLEDGE OR BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE OR IF SUCH DAMAGE COULD HAVE BEEN REASONABLY FORESEEN. THIS LIMITATION WILL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY PROVIDED HEREIN. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. IN NO CASE SHALL THE LIABILITY OF ANDRITZ EXCEED THE AMOUNT PAID BY YOU FOR THIS LICENSE.

14. CONFIDENTIALITY. You acknowledge that the Software Andritz licenses to you in connection with this Agreement and the performance hereof includes Andritz's confidential and proprietary information, both of a technical and commercial nature. You agree not to disclose such information to third parties without Andritz's prior written consent. All copies of Andritz's confidential and proprietary information shall remain Andritz's property and may be reclaimed by Andritz at any time in the event you are in breach of your obligations under this Section 14.

15. RIGHT TO AUDIT. Andritz or its nominee (including its accountants and auditors) shall have the right to audit, at your or your Company's site or remotely, your use of the Software to verify compliance with this Agreement. You shall provide to Andritz reasonable assistance and access to information, the site, and your hardware systems in the course of such audit. If the audit determines that you underpaid any License fees to Andritz and/or that you have used the Software in excess of the license quantities or levels stated in this Agreement, you shall pay such underpaid fees and/or purchase additional licenses based on then current list prices and license forms governing use in effect at the time of the audit. You shall pay Andritz's costs of audit if the audit results indicate usage in excess of the licensed quantities or levels. The foregoing is in addition to any other rights and remedies available to Andritz.

16. TERM AND TERMINATION. This Agreement shall continue until terminated.
    16a. For Perpetual Licenses, the License granted under this Agreement continues indefinitely unless terminated under this Section.
    16b. For Subscription Licenses, the License granted under this Agreement remains in effect only during the active subscription term and automatically expires at the end of the subscription term unless renewed.

    This License terminates automatically if you violate any provision of this Agreement. You may terminate this Agreement at any time. Upon expiration or termination, all rights granted to you hereunder cease and you must promptly discontinue use of the Software and permanently delete all copies of the Software, except to the extent continued possession is permitted by applicable law.

17. U.S. GOVERNMENT USE. The Software qualifies as a "commercial item" as that term is defined in 48 CFR 2.101 consisting of the "commercial computer software" "ExtendSim" and "commercial computer software documentation" as such terms are used in 48 C.F.R.12.212. If this Software is acquired by or on behalf of an agency, department,

or other entity of the United States Government or by a United States Government prime contractor or subcontractor at any tier ("Government"), the use, duplication, reproduction, release, modification, disclosure, or transfer of this Software, and any related documentation of any kind, including technical data or manuals no matter how received by the Government, is restricted in accordance with Federal Acquisition Regulation 12.212 for civilian agencies and Defense Federal Acquisition Regulation Supplement 227.7202 for military agencies. Therefore, this Software and related documentation can only be used in accordance with the terms in this Agreement, or any modification hereto. All other such use is prohibited. ExtendSim is a commercially available off-the-shelf ("COTS") item, no portion of which has been developed at government expense.

18. GOVERNING LAW. The validity, interpretation, and performance of this Agreement shall be controlled by and construed under the laws of the State of Georgia, United States of America, as if performed wholly within the state and without giving effect to the principles of conflict of laws, and the State and federal courts of Georgia shall have jurisdiction over any claim arising under this Agreement. The parties specifically disclaim the UN Convention on Contracts for the International Sale of Goods. Notwithstanding the foregoing, either party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such party's intellectual property or proprietary rights.

19. DISPUTE RESOLUTION. Any controversy or claim arising out of or relating to this Agreement, or the breach hereof, shall be definitively settled by arbitration, to the exclusion of courts of law, administered by the American Arbitration Association ("AAA") in accordance with its Commercial Arbitration Rules in force at the time this Agreement is accepted by you when you click on the "Accept" button and to which the parties declare they will adhere (the "AAA Rules"), and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction over the party against whom enforcement is sought or having jurisdiction over any of such party's assets. The arbitration shall be conducted in Atlanta, Georgia by a panel of three members, one of whom will be appointed by you and one by Andritz and the third of whom will be the chairman of the panel and will be appointed by mutual agreement of the two party appointed arbitrators. All arbitrators must be persons who are not employees, agents, or former employees or agents of either party. In the event of failure of the two party appointed arbitrators to agree within 45 days after submission of the dispute to arbitration upon the appointment of the third arbitrator, the third arbitrator will be appointed by the AAA in accordance with the AAA Rules. In the event that either you or Andritz fails to appoint an arbitrator within 30 days after submission of the dispute to arbitration, such arbitrator, as well as the third arbitrator, will be appointed by the AAA in accordance with the AAA Rules.

20. TRADEMARKS. Andritz and ExtendSim are registered trademarks and ExtendSim CP, ExtendSim Pro, ExtendSim ART, ExtendSim Student, and ARM are trademarks of Andritz. RLM is a trademark of Reprise Software Inc.

21. EXPORT. You agree that the Software is subject to all pertinent import and export laws of the United States, including specifically the U.S. Export Administration Regulations from time to time in effect. You agree that it will be solely your responsibility to comply with all such laws. You agree to maintain a record of exports, re-exports, and transfers of the Software for five years and to forward within that time period any required records to Andritz or, at Andritz's request, the U.S. Government. You agree to permit audits by Andritz or the U.S. Government as required under the regulations to ensure compliance with this Agreement.

22. SURVIVAL. All terms of this Agreement which by their nature should apply after the cancellation, completion, or termination of this Agreement shall survive and remain fully enforceable after any cancellation, completion, or termination hereof, including, but not limited to Sections 5, 9, 13, 16, 18, and 23.

23. GENERAL. If any provision is held invalid or unenforceable it shall be reformed only to the extent necessary to make it enforceable. This Agreement sets forth the entire agreement between you and Andritz relating to the subject matter hereof. The terms and conditions of this Agreement will supersede all pre-printed terms and conditions contained in any purchase order form for the Software. This Agreement may be amended only by a writing executed by Andritz and agreed to by you. The failure by either party to enforce any provision of this Agreement will not be deemed a present or future waiver of that or any other provision. Any waiver of any provision of this Agreement will be effective only if in writing and signed by the parties. If for any reason a court of competent jurisdiction finds any provision of this Agreement to be unenforceable, that provision of the Agreement will be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this Agreement will continue in full force and effect.
